

Road widening upgrades to the southern exit of the Charolais Crescent roundabout.

June 2016

As part of their Ellendale development, Cedar Woods will undertake road widening upgrades to the southern exit of the Charolais Crescent roundabout including asphalt paving, kerb and channel installation.

The detailed plans have now been approved by Brisbane City Council and construction is scheduled to take place from mid – late 2016.

For further information please visit ellendale.com.au or call Cedar Woods – 07 3007 2900.

For any construction or safety related queries please call Jamie, Shadforths Civil – 0419 682 058.
