The plans and future development proposals are indicative only and therefore subject to change. Details shown are subject to government and authority approvals, planning consent and design alterations and may change. Please refer to your contract of sale prior to purchase and seek independent expert advice. Cedar Woods received approval in July 2015 for an initial development stage of 480 lots and in September 2018 the rezoning process was completed for the balance of the 227 hectare site. The Upper Kedron future proposed district sports field is identified in the council draft infrastructure plan for completion in 2021-2026, but has not yet been programmed or budgeted for by Brisbane City Council. Surrounding facilities may change at any time. Printed November 2019. E30804.
